1. About NUFSA 名古屋大学留学生会について

Nagoya University International Student Association (NUFSA) is a diverse and cultural student led organization founded by Nagoya University in 1985. Primary objective is to bring together all international students enrolled in Nagoya University and visiting scholars. Our mission is to create a sense of community by facilitating intellectual, cultural, and social exchanges among international students, faculty and staff. We also foster understanding of diverse cultures and help to develop a cosmopolitan outlook among foreign students, and between foreign students and Japanese students. Finally, we serve as support to incoming international students in adjusting to their new cultural setting in Nagoya and creating opportunities for networking.

2. Name 名前

NUFSA is short for Nagoya University International Student Association (名古屋大学留学生会). It originally stood for Nagoya University *Foreign* Student Association. However, in 2015, it was decided that the association would be renamed to Nagoya University *International* Student Association (while keeping its initial abbreviation – NUFSA) to embrace global and international student base of Nagoya University.

6. Support

NUFSA is receiving support from various organizations. We are financially supported by Nagoya University Foreign Student Support Association and we regularly receive technical or organizational support from Nagoya University International Student Advisor Office. We also collaborate with volunteer groups (ACE, YWCA, Tomodachi-kai) for organizing activities such as bazaars, welcome parties, etc.

7. Activities

❖ Orientations for Incoming International Students

NUFSA participates in orientations for incoming international students held in student residences (International Residence Higashiyama, International Ohmeikan House, International Residence Yamate, Ishida Memorial International Residence Myoken, Idaka-cho Residence, Foreign Student House). The purpose is to introduce ourselves to newcomers and give them first necessary information and tips for daily living and university activities.

❖ Bazaar

Every year in April and October, NUFSA, in collaboration with ACE, Tomodachi-kai and YWCA, holds bazaar at Nagoya University International Residence Higashiyama. The bi-annual NUFSA International Students' Bazaar is an absolute goldmine of quality secondhand home necessities (tableware, furniture, electrical appliances) at extremely cheap prices.

❖ Welcome party

We organize welcome party, which is a platform for old students to welcome new students and it is also an avenue for interaction, networking and social exchange of ideas, experiences and culture. This is the first foundation towards building strong lasting friendship in most cases. We offer not only delicious food and drinks but also live music with great performances.

❖ Otsukaresama party バザー・ウェルカムパーティー協力者とお疲れさま会

We also organize a thank you party for ACE members for always helping NUFSA and providing support for the members in organization of bazaar and welcome party. Here, NUFSA and ACE members become closer in a relaxed friendly atmosphere.

❖ Tandem

Since year 2016 we have launched new project called Tandem, which is an opportunity for those who are willing to master a language (or two) and even get accustomed with cultural nuances by communicating with native speakers. Tandem, basically, means having two or more individuals with skills they can share with one another. Just fill out the questionnaire form providing information about the ^{languages} they know and the languages they are wishing to excel at. NUFSA will connect you with the partners they best match with.

❖ Board Game Night

Board game night is held every month in Craig's Café. We provide several choices of board games, such as UNO and pandemics. The aim of the activity is to gather new people to have fun playing the game while getting to know each other. Light snacks and drinks are offered. The event is free of charge.

❖ Live Music Session

The event was held at the end of the year during winter, accompanied with hot chocolate drinks. Posters are out a month before the event, allowing people to sign up and exhibit their musical talents. Some NUFSA's members host the event and interact with the audiences. There were some games during the intermezzos to keep the audiences entertained.

❖ Academic Activities

Japanese Language & Culture course for foreign students' family members, sponsored by Nagoya SAKAE Lions Club.
